The Wheels of Progress Mean Change

At Garfield We Are Ready

Every new day in our life brings change in some form. At the accelerated pace at which our society is developing, there can be no standing still . . . it must be either ascent or decline. In order to move forward to reach our ever increasing goals, we must react to change with the adaptability necessary to meet the demands that such change presents.

This is the sixth year in the young life of Garfield High School; and, in that short time, we have progressed a great deal. We have grown both in size and in stature. We have developed pride and purpose. We have planted the firm roots from which cherished tradition grows. We have produced the determination which breeds a fighting spirit to win, and the ability to lose gracefully, learn from our mistakes, dig in, and struggle our way back to the top. We have left enviable records in the fields of athletics, civic duty, talent, and scholarship. We have bred the leadership and support necessary to excel in many areas, and the insight to recognize our own weaknesses, correct them, and turn them into strengths.

Furthermore, we have accepted the realistic truth that we always have room for improvement; also, we have accepted the challenge that such knowledge brings . . . that we will ever strive to make the necessary changes that mean progress.

It will do us well to remember that during our brief stay here at Garfield, we are but changing faces in a stream which flows on indefinitely into the future. But we are a part of Garfield, and Garfield, surely, is a part of us. As you pass through these halls, eat in our cafeteria, cheer our teams, strive in athletic contests, applaud in our auditorium, or sit in these classrooms, stop for a moment and think . . . Garfield is much more than just a school.

For us, it is a way of life, and we rightly can be proud of it. It is our springboard into tomorrow, and will become, in our tomorrows, a pleasant memory of our youth.

We are all a part of any progress or change made at Garfield . . . we are these very wheels of which we spoke; so, this book is dedicated to all of us who make its being possible, and who are Garfield High School.

One of the many changes at Garfield this year is the addition of the Drill Team to the band. These girls wear letters which spell Garfield on their sweaters. They are: Barbara Romanski, Dawn Conrad, Mary Lou Reed, Karyl Miley, Judy Hinds, Kim VonStein, Tina Corner, Shirley Preston, and Becky Caldwell. Becky leads the group and is the choreographer.

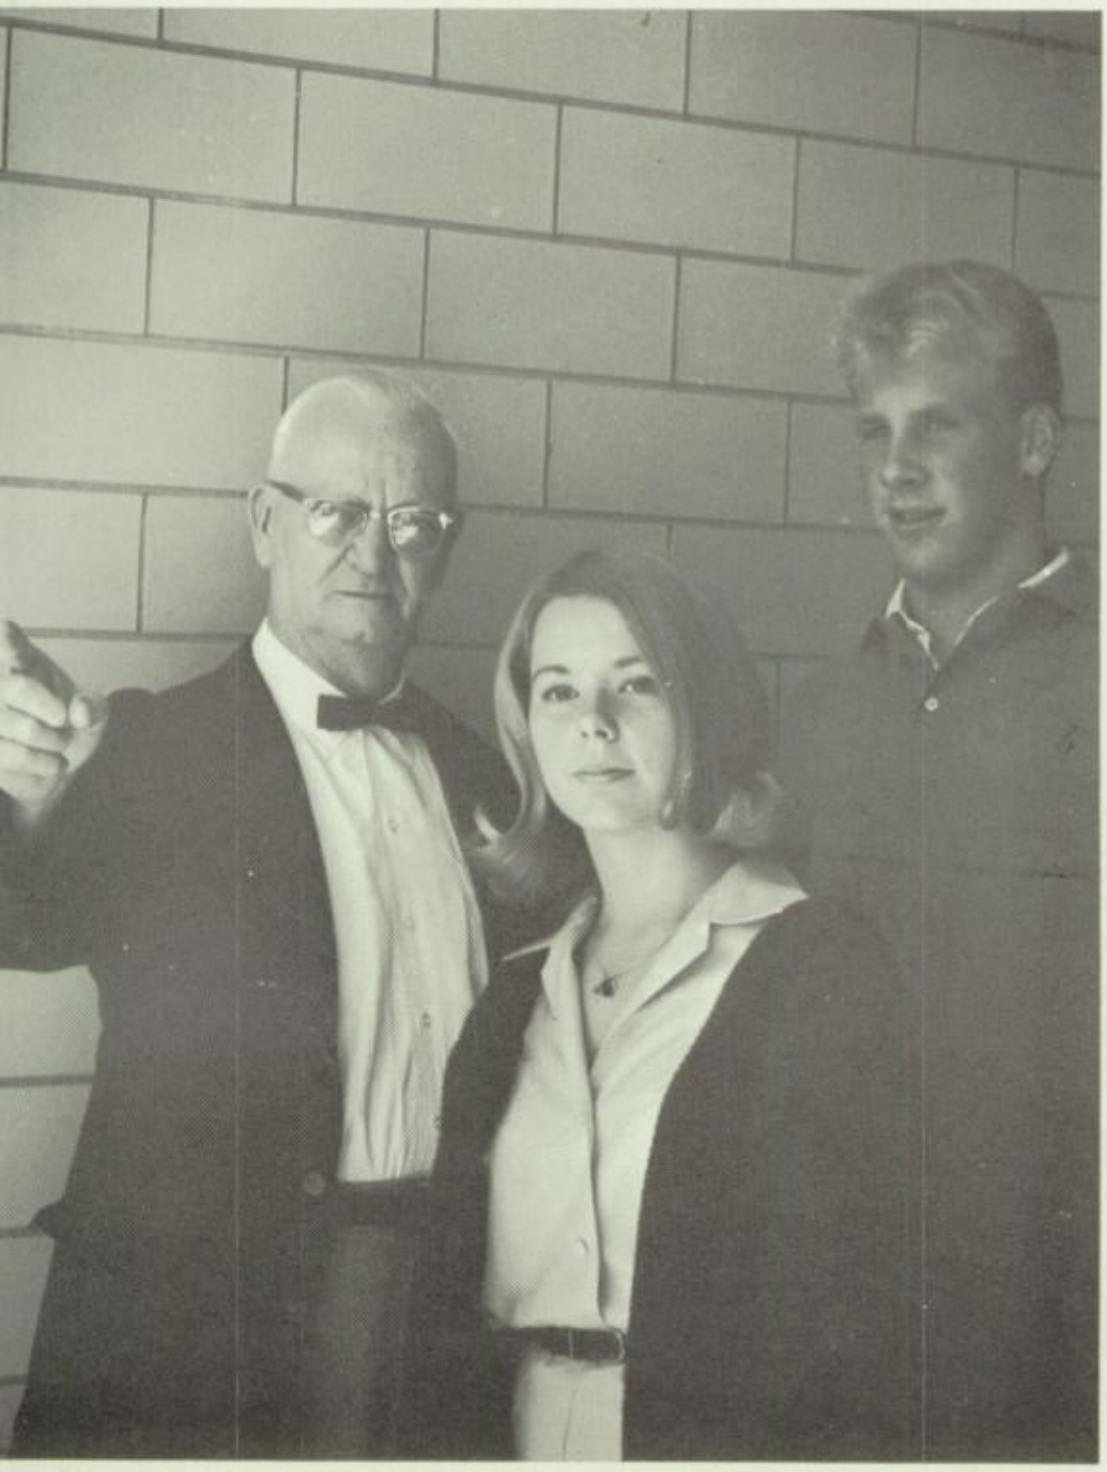
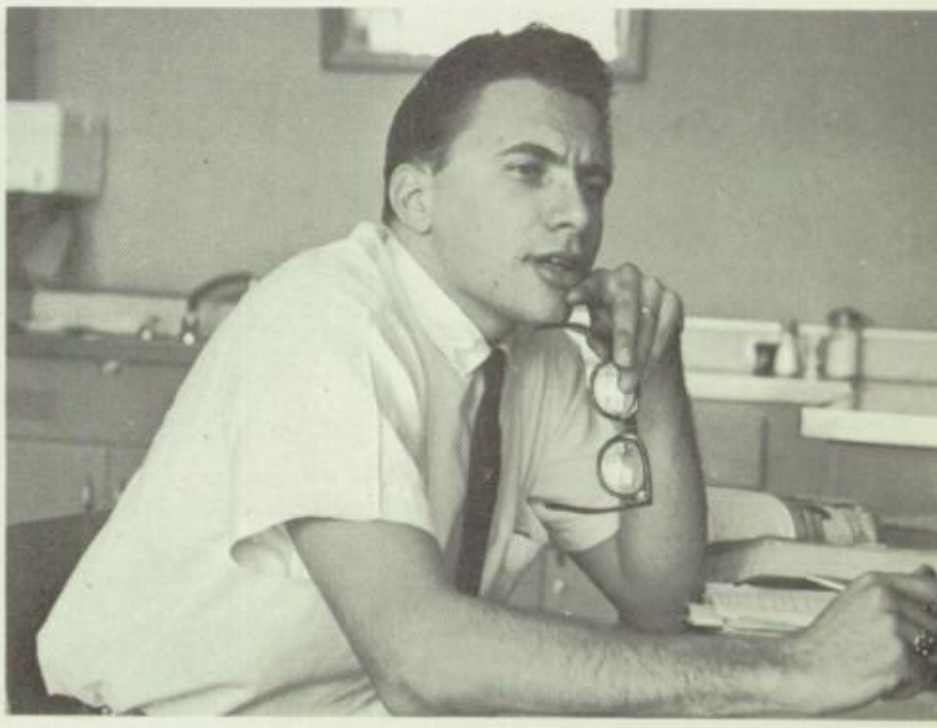
Big Wheel,

Little Cogs . . .

In the machinery of education, as in any other complicated machine, every part, regardless of purpose, is important if the total operation is to function smoothly. Although we have many common goals, the part that each of us plays in achieving them may be somewhat different. Life at Garfield High School is composed of many facets, not all of which involve texts, tests, and teachers.



Mr. Koger points out the scenic view behind Garfield to interested sophomores, Rita Wyant and Greg Weaver.



Preparing an exam requires a great deal of thought . . . Mr. Gossett, of the History Department, is caught in the act of contemplation.

Duel In The Sun. The reserve football squad is engaged in one of their several struggles in the afternoon. The prospective varsity hero finds much work and little glory here.

Problems Begin Early and Are Varied

The first order of business for sophomore, James Houk, is a schedule change conference with Mr. Garnett, his counselor.

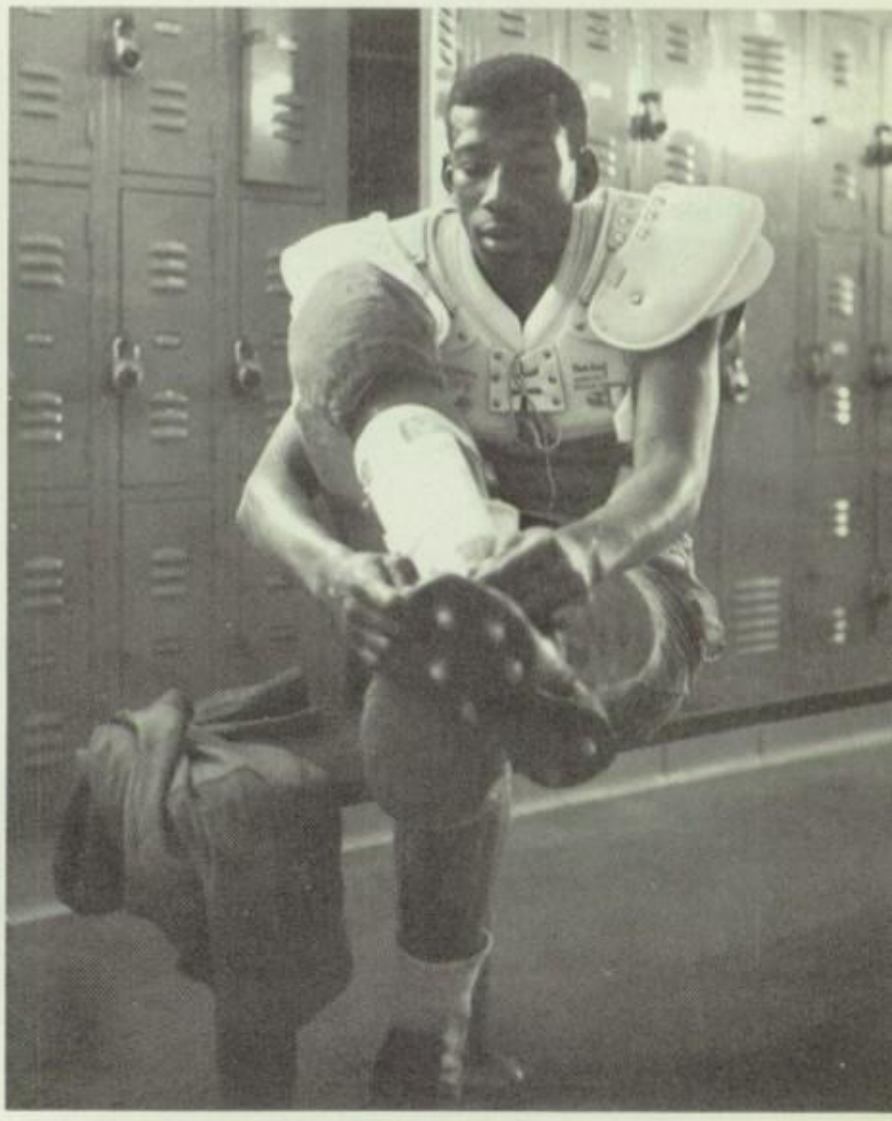
No school year starts without a bewildering array of problems which must be solved quickly and efficiently. The increased enrollment added a further burden to sophomores unfamiliar with our school, as classes had to be held in new and strange places. Lines developed at the book store, cafeteria, and counselor's offices. Lockers, books, and even chairs had to be shared temporarily. On a more personal note, many of last June's blissful pairs were now single units, each seeking to re-align themselves and go off into orbit for another new season.

One problem confronting the students at Garfield is securing the necessary supplies for their school work.

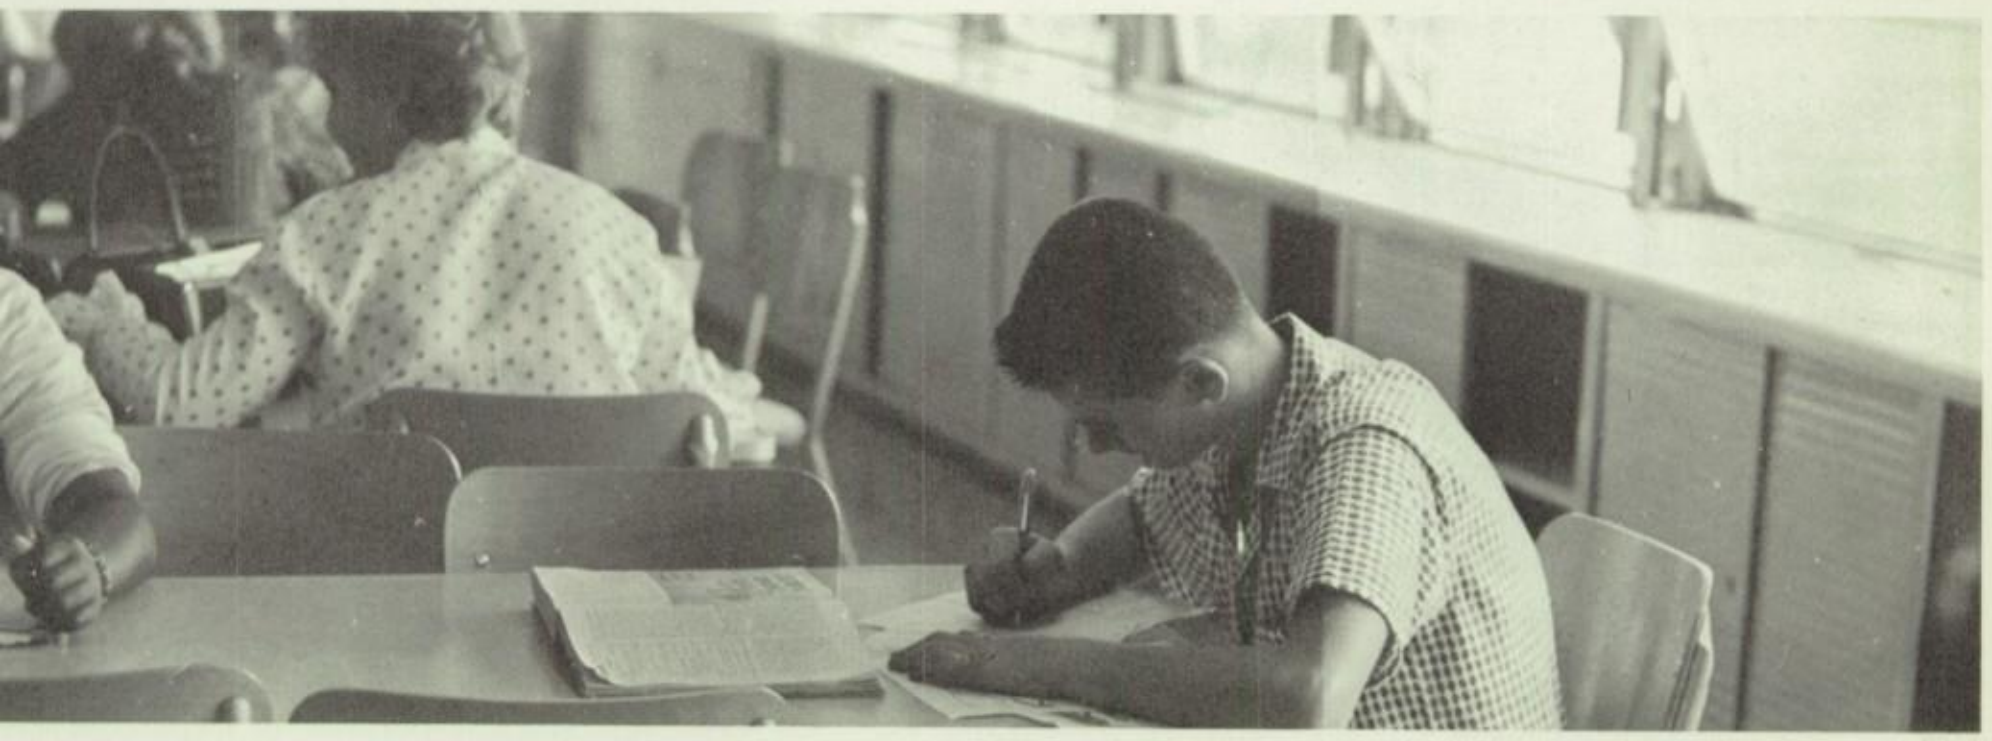
Work Starts Early Also . . .

The orchestra gets first crack at the daily work schedule, falling under Mr. Wilhelm's baton at 7:30 A.M.

. . . and Lasts Late



At the other end of a long day, Al Gaither undresses after a hard practice. Time--5:33 P.M.



Between these two extremes, a great deal of work goes on all during the school day. A typical example is these students, hard at work in study hall in the lunch room.

Practice Makes Perfect

and Results in a Tradition of Proud Performances

One of Garfield's most prized possessions is the Griffin Marching Band. Here Bill Armstrong, Gary Hurst, and Gene Theiss display their talents in one of Garfield's colorful halftime performances.

School Spirit . . . an Essential Quality

Pep, Vitality, Stamina . . .

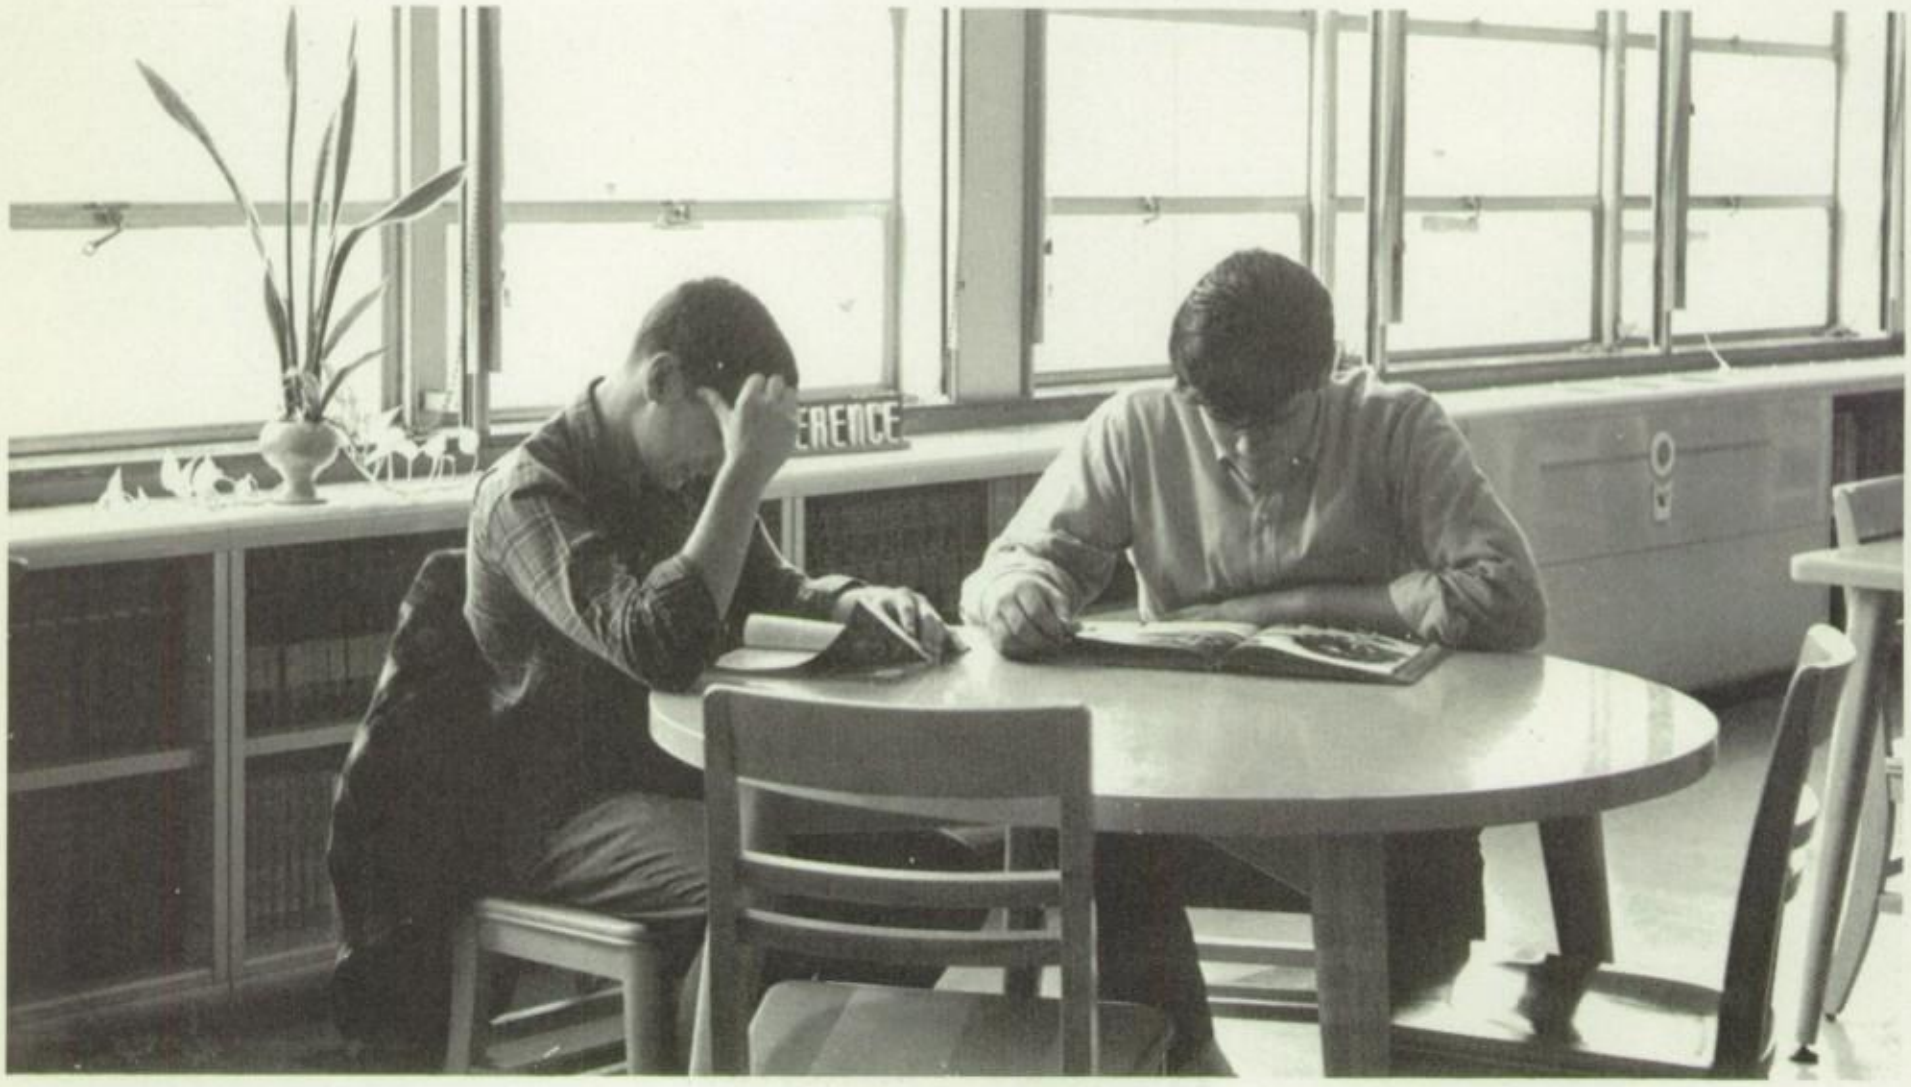
Pride in our school, and those qualities for which it stands are demonstrated by participant and spectator alike.

Displayed Off as Well as on the Field

Wanda Grant, captain of the cheerleaders, is shown leading the cheerleaders and the fans in an effort to urge our team on to victory.

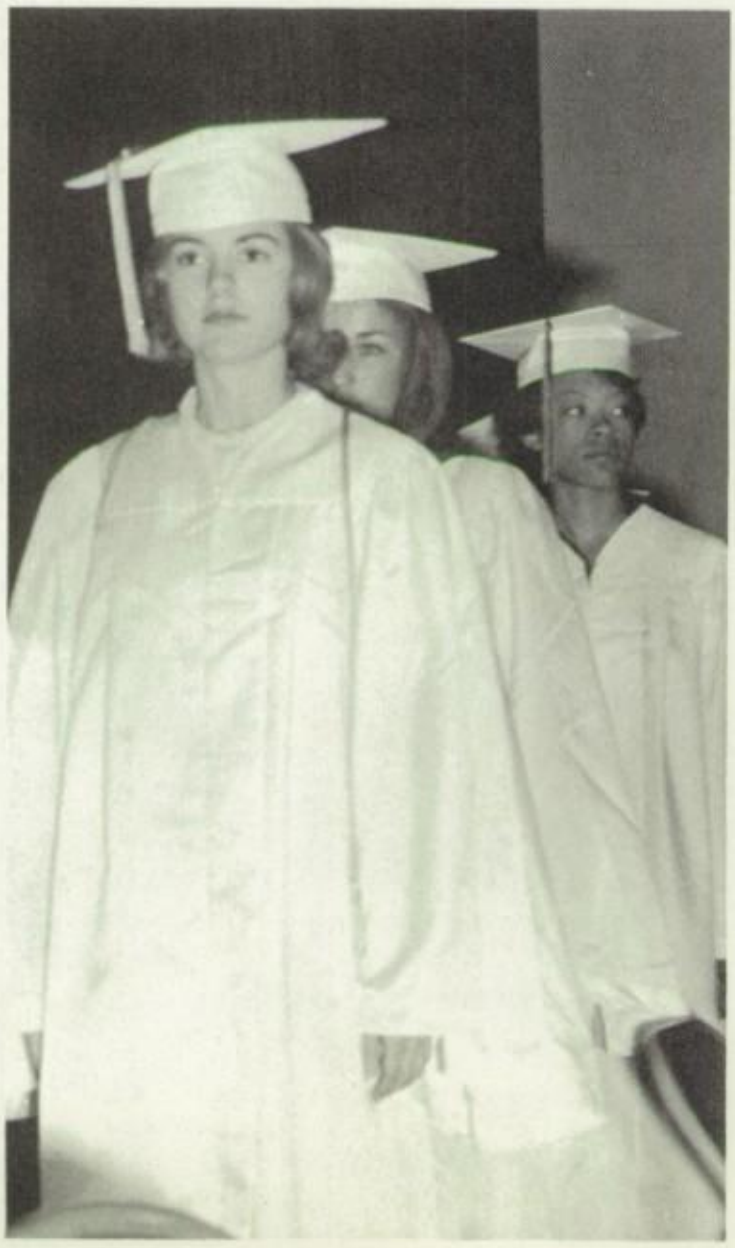
On a cold winter night, the bleachers at Garfieid Stadium are not exactly packed with spectators, but there are many loyal fans who will brave anything to back our mighty Griffins.

Garfield Has Its Calm and Contemplative Moments



One of our quieter moments is typified by the use of our library by two students, deep in study.

With mixed thoughts and emotions, members of the Class of '64 march on into the future.



Fourth year German students discuss the fine points of a German story.

As Well as Active Ones

The Fourth Period is an active one in the lunch room . . . it's chow time at Garfield.

Harry Hale, Karen Motzer, and Donna Rose swing out at last spring's Junior Prom.

Activity Has Many Faces

The energy poured forth by the Senior cheering section overpowers the gymnasium at a pep assembly. This is a good example of directed school activity at its finest.

Almost empty and silent now, the Garfield gym is often the scene of frenzied activity and cheering fans.

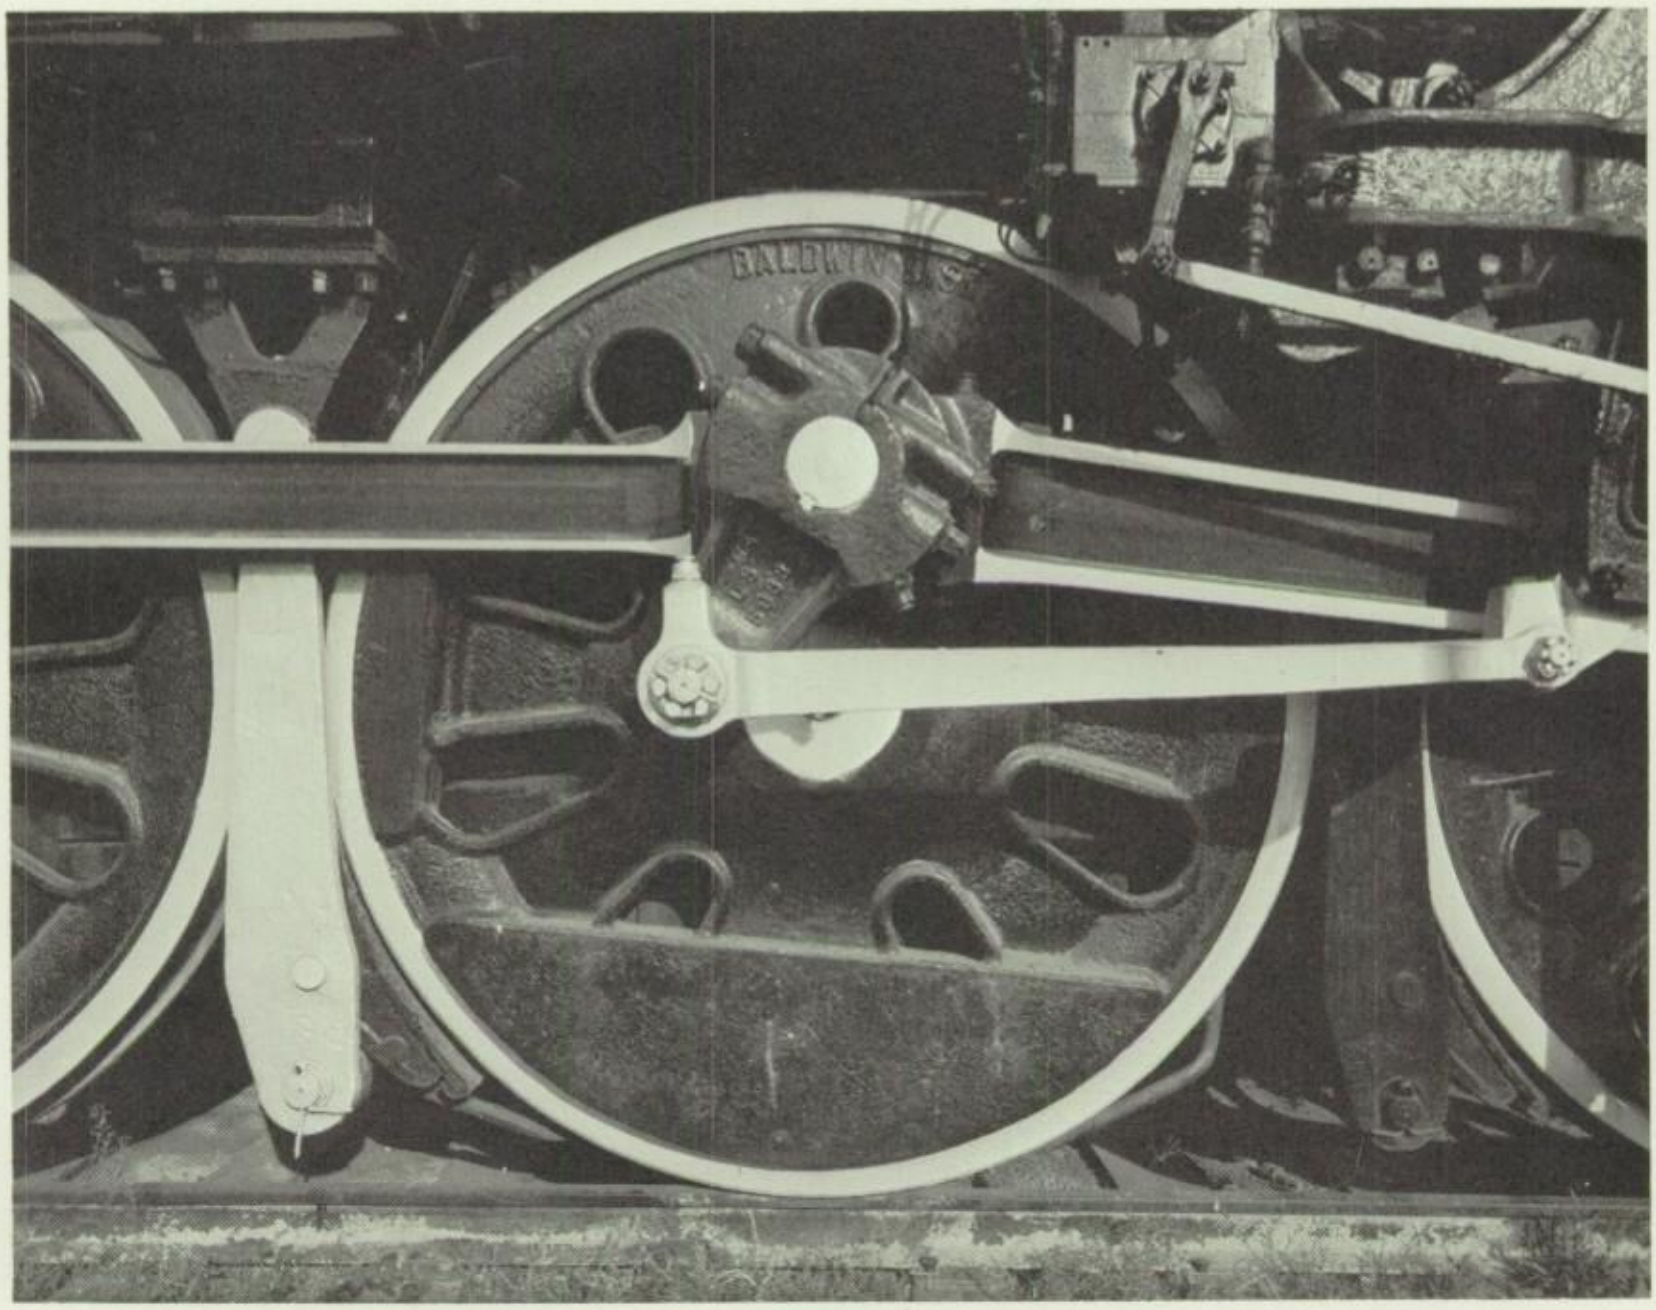
Each One of Us, Alone or Together

A Part of a Proud Tradition at Garfield High School

Remember, as You Pass Through These Halls, You Are Leaving Your Own Personal and Indelible Mark. May it always be one that you can remember proudly throughout the rest of your life. May it also be cherished always by those friends who surround you now.

Fulfilling the tradition of boy meets girl are Bill Evans and Paula Brown.

These familiar trophies in the main lobby of the school represent many proud traditions at Garfield.



ADMINISTRATION

Our Principal

"The atomic age has shattered all hopes of the boy or girl without an education of ever attaining a high degree of success.

Each one should dedicate himself to the task of taking full advantage of every educational opportunity."

James K. Koger

Assistant Principal

"It has been our desire to present to you an educational experience that will furnish a strong foundation upon which you may build a life of your own choosing; may your choices be based upon wisdom and sound judgement."

James A. Hall

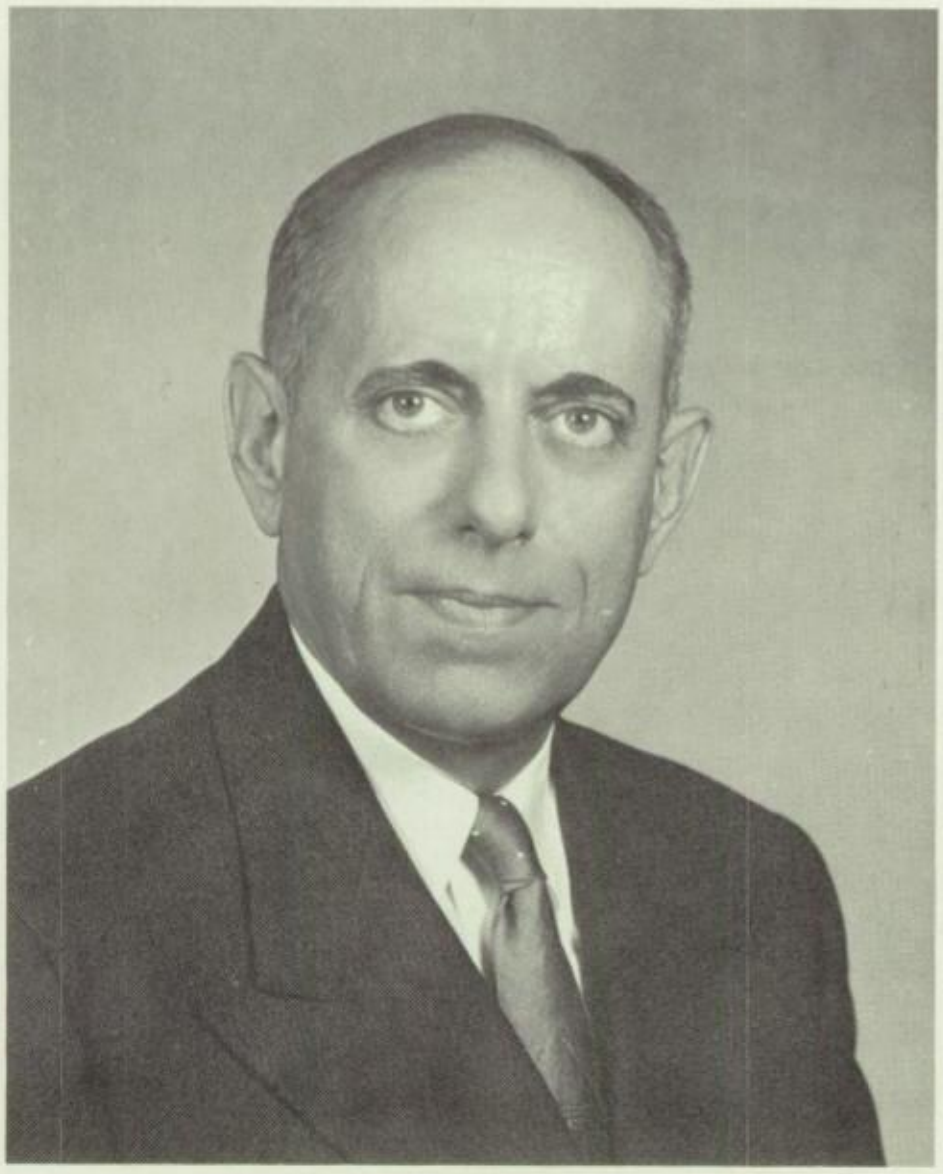
Guidance Director

"If we of the guidance department can help students to know better themselves, their potentials, their aptitudes, their interests, their strengths, and their weaknesses, our goal will have been accomplished."

Mary Lee Brandenburg

Leadership at the Top

Superintendent of Schools



Doctor Lester L. Dickey

Our Superintendent

The Hamilton Public Scnool System has made many strides forward during the period that Dr. Dickey has been our Superintendent of Schools. Our building program has matched the rapidly expanding school population, to the extent of two new senior high schools, one junior high, and several elementary schools.

The citizens of Hamilton have passed two operating levies, which have made possible several advances in our school system. They have increased our curriculum to include the latest developments in educational progress. Our program has grown to reach all students, with many advances being made in the area of special education.

With the enlightened interest and cooperation of our board of education and superintendent, we can look forward to future progress confidently.

It Takes Many Talents to Make a School Function

It is not an easy task to operate an educational institution the size of Garfield High School. A great deal of work is done outside the classroom, which does not directly involve teaching. Here at Garfield, we are fortunate in having such a well-qualified group of individuals in those areas, performing their services in an exceptional manner, from early in the morning until late at night.

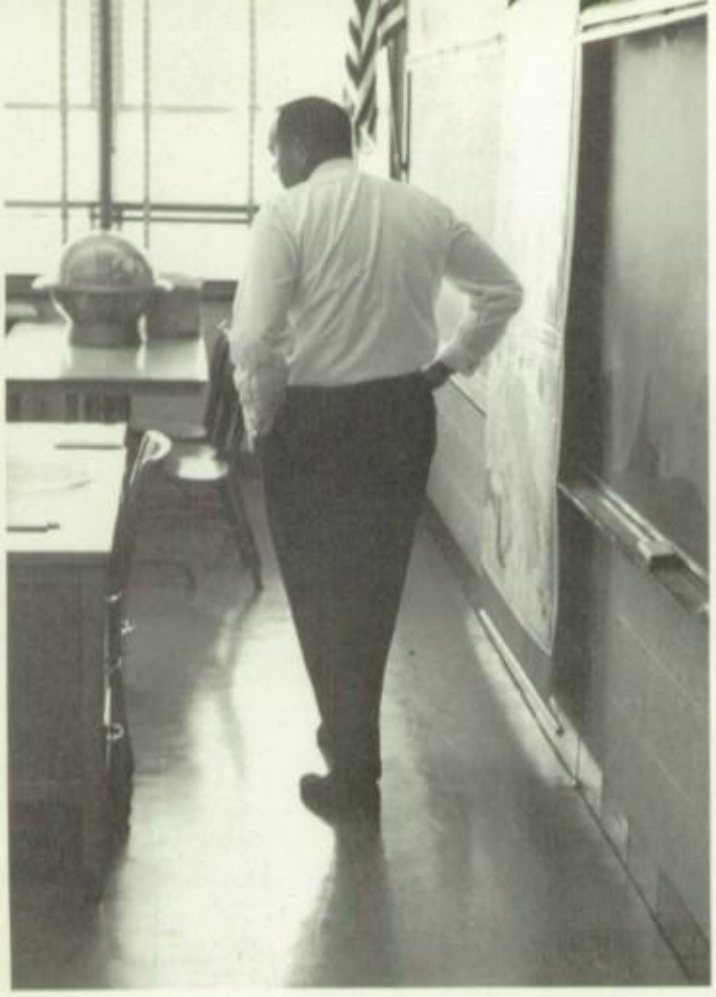
Mr. Charles Tiberghein, biology teacher, expounds the theory of absorption.

A typical school day sees Mr. Larry Hamm, French teacher, in the classroom teaching his students to "parler Francaise."

Mr. Coe Potter, Industrial Arts teacher, is making a candlestick holder on a lathe in order to show his students how to use the machine.



Richard Hadley tries to accomplish a difficult task . . . teaching history to Garfield students.

Since teaching is a harder profession than some people think, teachers often "hide out" in the lounge for a minute's relaxation.

Two of the important people at Garfield, Mrs. Mary Lee Brandenburg and Mr. James Hall, often get together to discuss school policy.

Mr. Roger Davis appears to be having trouble getting across to his students one of the finer points of U.S. History.

Some of our teachers, such as Mr. William Dornberger, feel a need to "get away from it all" by relaxing in the great outdoors.

Homecoming Queen and Court

Beauty and Grace Represent Garfield at Our 1965 Homecoming Game with Springfield South

The court was presented to the student body at the assembly: Linda Bindhamer, Judy Dodsworth, Wanda Grant, Linda Thompson, Barbara Romanski, Diane Dudley, and Nancy Cappelli.

As the court nervously awaits their entrance into the gym, they receive final instructions.

The YFC Float was one of the many floats entered in the Homecoming parade.

Tears and smiles were displayed seconds after Wanda was crowned.

After the crowning, Wanda and her court take their seats for the game.

Garfield Presents . . .

Annie Get Your Gun

Mr. Wilhelm gives cast and crew last minute "pep talk" before curtain time.

Honor Society

To belong to the National Honor Society is a very high honor to a student. The requirements are an 88 scholastic average or above, along with the qualities of Leadership, Citizenship, and Character. These honor students are signified at graduation by wearing gold honor chords with their gowns.

During the induction ceremony, Jackie Shearer, senior, was "pinned" by Mike Conrad for the National Honor Society.

Mr. Koger congratulates new members.

Officers and new members of the National Honor Society pose for picture after the induction ceremony.

Senior Cheerleaders

Cheering has always been a great factor toward leading our team on to victory. The cheerleaders are credited with arousing the students' school spirit and are very vital to our school tradition. This year six out of the ten cheerleaders are seniors. They are: Wanda Grant, Captain; Linda Bindhamer, Sue Chaney, Diann Dudley, Janet Theil, and Linda Thompson.

DOWELL BARNES

These seniors are not really lost. Inadvertently, these pictures were sent to Taft and arrived too late at Garfield to meet the deadline for the senior section. We of the Anim Staff extend our apology to these students.

School Spirit Has Many Faces

Although the Garfield cheerleaders are perhaps the most obvious boosters of school spirit, it is generated in many areas. The many skits presented at pep assemblies, and verbal humor over the P.A. system, were usually the brain child of the Grifftones. Certainly our Mascot is representative of the fine school spirit here at Garfield.

Although it was formed too late for a picture, we now have a pep club, which is doing much to promote spirit in all areas.

Frustration and exhilaration are the only words to describe the final year of football at Garfield for these graduating seniors. The season started like the Griffins would have one of their best teams ever. Based on two impressive opening wins, it appeared as though this would be one of Garfield's strongest teams ever. After seven games the Griffins had a 5-2 record; however, three consecutive losses to GOL opponents lowered the overall record to 5-5, and a fifth place finish in the GOL.

At the annual Garfield Boosters banquet, several seniors received individual awards. Mike Conrad was named most efficient offensive back; Tom Downey, most efficient defensive lineman and most valuable player; and Dave Weaver, most efficient defensive back.

Linemen Tom Downey and Leonard Rush were named to the all District Team and given honorable mention in the All-State selections. Rush was also named first team all GOL offensive tackle.

Leadership-the Key to Success

Lou Florio has been head coach at Garfield since its beginning in 1959. In that period of time, Garfield has had only one losing season. The high tide of Garfield's football fortunes came in 1961 when the Griffins posted a 9-1 record and share the GOL championship.

Coach Florio attended Grandview High School near Columbus and graduated from Miami University. He was head coach at Hamilton High for two years before coming to Garfield.

Reserves Make Future Bright

Teaching and correcting mistakes is a major portion of the duties of a reserve coach. Below Coach Tiberghein offers advice to some of the players between halves of a game.

Garfield's Junior-Varsity finished their season with a fine 6-3 record. The Griffins scored a total of 226 points for a 25 point per game average while limiting opponents to an average of about 8 points per game.

Bill Evans and Mike Renfro shared quarterbacking duties while Joe White, Jim Henderson, Gary Musselman and Bob Paxton rounded out the high scoring backfield.

The line produced several good prospects including Mike Wacker, Clark Robinson, Roger McKinney, Reid Soffell, Pete Sherman, Fred Floyd, Mike Spath, Roy Carmack, and Bob King. Tim Taylor and Delbert Gibson added to the scoring punch by catching several touchdown passes from their end positions.

Garfield 18--Purcell 14

Garfield's hefty Griffins opened the season by edging an always tough Cincinnati Purcell squad. The passing of Jerry Deborde and the running of Joe Hudson indicated an improved backfield while Tom Downey, Dennis Burton, Ron Sutton, and Leonard Rush anchored down the ever improving line.

The Griffins won the toss and elected to receive only to fumble the runback giving Purcell a break which it quickly converted into a touchdown. Garfield countered with a touchdown run by Joe Hudson and two passes from Deborde to Ron Sutton which went for touchdowns. Purcell scored another touchdown late in the fourth period when the game was out of reach.

Football

Garfield 18--Cincinnati Woodward 6

After breaking on top early, the Griffins were never headed as they gained their second win of the season. The victory was especially pleasing for the Griffins; last year Woodward smashed the Griffins; 40-0.

Jerry Deborde provided the spark necessary for the Griffins to maintain their unbeaten record. DeBorde connected on a 67-yard pass to Joe Hudson early in the first period. The senior quarterback added the other two touchdowns for the Griffins on a pair of 5 yard end runs.

Garfield 6--Greenhills 20

Disaster struck the Griffins in their third contest of the year at Greenhills. Garfield committed twenty-two mistakes and was penalized fifty-two yards in one of the worst played games in the school's history. The Griffins picked up only seven first downs in the upset and fumbled the ball four times.

Garfield's only scoring threat in the first half was stopped by a fumble on the Greenhills two-yard line. Al Gaither slammed over from the four-yard line with 1:46 left in the game for the Griffins' only score. The passing of Jerry DeBorde was the only bright spot for Garfield in the bleak game.

The center of the Garfield line smothers a runner in the win over Springfield North.

Garfield 26--Springfield North 3

After a miserable first half the Griffins rebounded to score three touchdowns in less than seven minutes of the third quarter. The first half was a repeat of last week's performance with three fumbles and two interceptedpasses hampering all Garfield progress.

The third quarter was perhaps Garfield's best of the year; Joe Hudson scored on runs of 26 and 28 yards and Jerry Deborde scored on a 4 yard kepper. Chuck Barret scored another touchdown late in the fourth period.

The defensive line sparkled in allowing on 66 yards rushing and limited North to only 7 first-downs.

Garfield 8--Lima 26

Lima's Spartans spoiled Garfield's 1964 Greater Ohio League debut by defeating the Griffins before 2,000 loyal Garfield fans who braved 30 degree temperatures. Lima scored first but the Griffins took an 8-7 lead when Joe Hudson took the ball over from the one yard line and Jerry Deborde passed to Ron Sutton for the conversion. From that point on Lima was in charge.

Defensive efforts by Mike Osborne, who intercepted a pass, and Alex Davis, who recovered a Lima fumble, were encouraging. The game was well played by both teams, but the larger Spartans prevailed.

Behind good protection Steve Fisher boots an extra point against Franklin.

Garfield 33--Franklin 0

Garfield produced its fifth win of the year by blanking the Franklin Tigers. While the Griffin defense was holding Franklin to only 28 yards rushing, the offense gained over 400 yards.

Chuck Barrett scored two Griffin touchdowns with Mike Hudson, Butch Floyd, and Ron Sutton scoring the other touchdowns. Steve Fisher booted three extra points. Sutton scored on one of the longest plays in Garfield's history; after taking a pass from Jerry DeBorde on the Garfield 20 yard line, Sutton raced 80 yards to score the game's second touchdown.

For the second consecutive week, the Griffins dominated play; this time smothering Fairfield. It was Garfield's first GOL victory of the year and pushed the Griffin's season mark to 5-2. A powerful running game accounted for 299 yards in crushing the Indians.

Junior halfback Chuck Barrett led the offense with two touchdowns while Joe Hudson, Butch Floyd, and Tim Taylor scored single six-pointers.

Joe Hudson gives that special effort to pick up extra yardage.

Garfield 18--Springfield South 30

Springfield South's unbeaten Wildcats spoiled the Garfield homecoming by stunning the outsized Griffins. By capitalizing on Springfield errors, the Griffins drew first blood and led 6-0 at the end of the first quarter. South gained the lead in the second period and never relinquished the lead.

Ron Sutton scored twice for the Griffins on a pair of 11-yard touchdown passes. Jerry DeBorde scored the other Griffin touchdown on an 11-yard run.

Garfield 12--Hamilton Taft 28

Failure to capitalize on its opportunities cost Garfield victory in the annual clash with cross-town rival Taft. A dropped touchdown pass and a fumble by Garfield players proved the team's downfall. The game was much closer than the score indicated with both teams achieving 16 first downs and Taft picking up only 5 yards more in total yardage.

Taft scored the first two touchdowns, and the Griffins trailed 14-0 at the half. Mike Hudson raced 10 yards in the third quarter for the first Griffin score. Taft scored twice more in the second half with Garfield's only touchdown coming on a 5 yard pass from Jerry DeBorde to Ron Sutton. This marked only the second time in seven games that Garfield has lost to Taft in football.

Football

Garfield 7--Middletown 14

Four fumbles offset a brilliant defensive effort in the Griffins' final game of the year. The loss was the fifth of the season for Garfield and third in a row. The defensive team limited the Middies to only 148 total yards and 2 touchdowns, far below their average of over 30 points per game.

Middletown scored first, but Joe Hudson raced 11 yards to tie the score at 7-7 at halftime. Middletown scored the decisive touchdown on a 32 yard pass after the Griffins had lost the ball on a fumble.

Ron Sutton and Clarence Philips led the galliant defensive unit while Butch Floyd played his best offensive game of the season.

"Not just an extension... It's my very own line!"

" . . . And it's great! Now Dad can call home without getting a busy signal . . . and Mom . . . she says she almost forgot what it was like to pick up the phone and call somebody . . . "

It's easy to see why so many busy families are ordering second lines to handle teenage talkathons. This wonderful convenience is worth many times its little added cost.
